The following information and documentation shall qualify as evidence of liability insurance coverage:

1. A copy of the certificate of insurance as issued by the insurance provider, which includes the name of the insured midwife, the dollar amount of insurance coverage (at least \$10,000,000 per incident and \$20,000,000 per year), and, the dates for which the insurance coverage is valid.
2. If the certificate of insurance does not identify the insured midwife by name, a letter stating the name of the insured registered midwife, printed on employer letterhead and signed by the employer, shall accompany the certificate of insurance.
